

Republic Services is committed to continuing to provide garbage and refuse collection to the residents of your community. During this unprecedented situation that all of us find ourselves in with COVID -19 (Coronavirus), Republic Services will need to make the following changes:

- Please bag all of your trash and make sure the bag is closed and secured.
- Bulk collection (e.g., couch, carpet, mattress, etc.) will be suspended.
- As a reminder, all bags should weigh less than 50 lbs.
- Yard Waste collection that was scheduled to start in May will be temporarily suspended during this to pandemic to help stop the spread of the COVID-19 (Coronavirus).
- Please do not put any trash or recycling in cardboard boxes.
- Cardboard recycling should be broken down and placed neatly and securely in the recycling bin or in a 36 gallon can (or smaller) clearly marked "RECYCLING" on the side.

We apologize for any inconvenience that this may cause. Republic Services number one priority is the safety of our employees, residents, and the communities that we serve. Limiting the exposure of our employees will help slow the spread of COVID-19 (Coronavirus). As this unique situation is rapidly changing we will keep the communities up to date on any and all changes to your service.
