## July 2015

Since my last report I have worked on Township Business all or part of 36 days. A partial breakdown follows. I chaired 1 Regular Board meeting, 3 Special meetings, 1 Regular work session. Attended the Gerrish /Lyon meeting at Lyon Twp. Attended a DEQ workshop on water quality. *all Board*  
Attended 2 County work sessions and 2 Co. Commission meetings, Met with the DNR along with the Treasurer ref. our DNR Grant. Met with Rep. Rendon twice and Sen. Booher once for various topics Roads , Septic's and Swimmers Itch. Met with Dr. Luttonton and North Point twice on snail follow up. I also spoke with the road commission on several road matters. Had numerous issues with refuse and recycle issues. *many hours of monitoring & part*  
I have been spending many hours at the Marina as well. It was a slow start to summer but things are going well now. All the employees that worked in the PD the Fire and EMS Depts. As well as the Marina staff did an outstanding job fulfilling there tasks with the record crowds that were in our Township enjoying the long Holiday.

Respectfully,  
Frank Homola
