

# Supervisors Annual Meeting Report

## March 10<sup>th</sup>. 2015

Welcome to the 134<sup>th</sup>. Gerrish Township Annual Meeting of the Electors.

Once again I feel your Township Board has been making good sound decisions. We continue to work as a Team not always agreeing on topics but taking the time to work them out so that we all agree on what is best for all concerned.

As the Business of running the Township gets more complicated each year with a never ending flow of new regulations and policies which come from the State and Federal Government. We keep moving forward with Training and using a Great Team of Employees to comply.

Much has been happening here at the Township, We continue to look into the future to make Gerrish Township a Great Place to live and raise a family. Some of the things that has been happening follows the list could go on and on but I will just mention a few items from each Department.

I will start with the Police Department, Chief Hill applied for a USDA Rural Development grant of \$12,000. to help offset the cost of a new Patrol Car. That grant was awarded to us and it was applied to the purchase of a new Dodge Patrol car.

The Police Department continues to work with the local schools to help improve the Safety of the Students as well as the School Staff. They have partnered with the Northern Michigan Children's Assessment Center to help protect Children from Abuse and to see that those responsible are removed from society.
