Treasurer Tulgetske Report

May 10, 2016

4/20/2016 I attended a special meeting

4/21/2016 I attended an RTA meeting

5/2/2016 I met with Martel Forestry to see if the newly acquired 20 acres behind the Township Office qualified for a forest management project.

5/3/2016 The new playground structures were delivered. I would like to thank everyone who helped unload the truck, it was an experience.

I have been working on a Michigan Township Participating Plan Grant for protective surfacing around/under the new play structures. Organizing the play structure community build project scheduled for June 3rd & 4th. Reviewed GEOSPAN (GeoAssist real property appraisal tool) contract & called references. Reviewed the septic ordinance, along with my day to day job duties.

Announcements:

Starting July 2016 property taxes will be billed differently. RAPS, COOR & KCC millage rates will be placed on the winter tax bills in addition to, the current winter millage rates. The summer tax bill will contain the County Allocated & SET millage rates. The winter tax bill will be the larger of the two bills. You will still pay the same amount but it will be billed differently.
