

GERRISH TOWNSHIP

Trustee Lippert Report

November 15, 2016

- Attended the TWP Board meeting. Nov 3rd.
- Chaired the 911 Authority Board meetings. Oct 11th.
- Many discussions with 911 Director about Ogemaw 911 status and concerns.
- Attended the LEPC meeting at the Commissioners Room on Oct 18th. The Roscommon County Hazard Mitigation Plan is completed. Now each TWP that participated, needs to pass a resolution to be eligible for FEMA disaster grants. I'll have an example next month.
- Compost Site: Scheduled the compost grinding for late November.
- With our Cemetery Sexton/Maintenance still on leave, I'm handling several maintenance and cemetery issues with 2 burials.

Sincerely

Jim Lippert
Trustee
