### Treasurer Tulgetske Report

**June 14, 2016**

5/27/2016 I met with a representative from Sinclair Recreation regarding the play structures community build project

6/2/2016 I attended the monthly work session

6/2/2016 I met with a representative from Dunn's Business Solutions regarding a new office copier

6/3/2016 & 6/4/2016 I assisted with the play structures community build project

6/9/2016 I attended a special meeting to interview two assessors

On behalf of the Township, I applied for a Michigan Township's Participating Plan Risk Reduction Grant Plan to offset the cost of the engineered wood fiber, in the amount of \$4,599.10. A lot of time went into organizing the community build project for the new play structures. I would like to thank the Township Board, Jason Jansen, MaryAnn Figley, Sandie Klein, GTPD, GT Fire/EMS Department, Gerrish FF Association, Roscommon Rotary Club, CERT/ACT-NOW members, Higgins Lake Landscaping, Cornerstone Construction and all of the volunteers who helped with the installation of the new equipment. We had an overwhelming amount of community support for this project.

I assisted Clerk Patchin with the assessor interview questions. I have been busy with balancing the Marina daily cash receipts, along with other daily job duties.
