### **SUPERVISOR REPORT JULY 11, 2017**

The following is a summary of my activities for the previous month:

I attended the County Commissioner's meeting on June 14 that was chaired by Gerrish Township resident and commissioner Ken Melvin.

I met with our township attorney Scott Hess on June 16<sup>th</sup>. to ask that he begin billing the township monthly, rather than once per year for his services. Attorney Hess agreed to begin monthly billing. Monthly billing allows for better monitoring of our budget.

June 20<sup>th</sup>. I attended FOIA training at the Roscommon County Building. The instructor for this 6-hour class was Lori Hinkley, Manager, Freedom of Information Unit, Michigan State Police.

June 21<sup>st</sup>. I chaired the Gerrish Township Police and Fire budget work session. Both Chief Hill and Chief Lippert presented their proposed budgets.

June 26<sup>th</sup>. I had a lunch meeting with Ed Nellist, Lyon Township Supervisor, to discuss the proposed Gerrish Township Septic Tank Point of Sale Ordinance. Ed shared with me the issues dealing with the sewer project ongoing in Lyon Township.

July 6<sup>th</sup>. I chaired the Gerrish Township Board Work Session to prepare for the board meeting today. Also, the afternoon of July 6<sup>th</sup>. I met with Chief Hill, Trustee Lippert, and Jason Jansen, members of the Gerrish Township Property Maintenance Committee, to continue our investigation of a rental property maintenance ordinance for our township. The committee will be traveling to Garfield Township later this month to further our inquiry regarding this matter.

In the aftermath of the storm that passed through our community last Thursday, I visited several areas of the township that lost power to advise residents that fresh water was available from both the Gerrish Township Marina and our township hall as well.
