Re: Assessor Report for July, 2018

The Assessor has currently completed 3/4 of data verification for 2018. Approximately 780 parcels have been re-measured, photographed and entered into the system this spring and summer.

July Board of Review met on 7/16/2018, a total 18 petitions were reviewed and approved.

There are currently five MTT docket numbers issued for 2018.
