Marina Report September 6, 2018

- Safety cones were added to the boat ramp for the protection of pedestrians who use the ramp.
- The Customer Appreciation Party attendance was down this year due to the weather on the day of the event. 175 persons attended.
- Steve Myer was promoted to the position of Temporary Lead Worker.
- Lori Weinel has been a welcome addition to the marina office this year. Lori has been busy preparing slip contracts for the 2019 boating season.
- The marina was down for one day during the power outage resulting from the August storm that passed thru Roscommon County.
- The marina / park grounds are in good shape and are looking good.
- Weekends were busy, especially the Labor Day weekend when all slips were filled, with 12 requests for slips on a wait list.
- Looking forward to the marina shut-down, slip renters have begun to remove their boats. All boats must be off their hoists by September 30.
- Removal of boat lifts and docks will begin October 1. Swim buoys at Carlos Park will be removed in October after the marina has been put to bed.
