

# Supervisors Report

## February 2016

Since my last report I have worked on Township business all or part of 29 work days for hours totaling approximately 161 hours. A partial breakdown of those hours follows,

I chaired 1 regular board meeting, 1 work session, 1 Election panel meeting, 2 Special Budget meetings, Attended 1 Roscommon Twp. Association meeting, Attended 1 Roscommon Co. Transnet meeting which I am on the Board of. Attended 3 Winter Fest Committee meetings. Chaired 12 Park and Recreation Meeting, I met twice with Chief Hill and Trustee Lippert on Township Business. I had to contacts with Rep. Rendon as well as with the County Controller.

I have been dealing with many road complaints with the Road Commission as well as Refuse/Recycle Complaints. Many of those are weather related.

I have spent many hours at the Marina plowing snow and taking care of the ice rink . once again this year after a slow ice freeze up time the rinks are getting much use. As well as the parking area and the rest rooms from fisherman and park users as well as the local workers that service our community.

There will be Winter Fest activities at the Marina this weekend including the Law Enforcement Sponsored Special Olympics Polar Jump Fund raiser. So stop by at 1pm Saturday and support the team. If you don't want to get wet buy a shirt and show your support.

Slip payments are coming in for the 2016 season and the transient slips for Memorial Day and the 4<sup>th</sup>. of July holidays are filling up fast.

Respectfully,
