Dear Donna,

Thank you so much for taking the time out of your busy schedule to provide the first aid training for myself and the Rangers of South Higgins Lake State Park. As you are aware, we encounter a wide array of injuries and the information you provided was very beneficial and will help us to better care for our park guests until you arrive. We greatly appreciate the support you continually provide for us both in the sharing of your knowledge and the assistance you regularly provide to us in the field. We are anticipating another busy summer and all rest easy knowing we have the support of you and your department.

Thank you,
