11/12/2019 Gerrish Twp. is accepting bids for building remediations. Today I was present during the Pre-bid walk-thru where 6 contractors walked through the Township Office and ask a representative from Sidock Group questions regarding the project.

I continue to work with USDA, Sidock Group and Miller Canfield for the building remediation project. I have created and balanced the 2019 winter tax roll with our Assessor, Karleen. Tax bills will be printed and mailed on November 27th or 29th. I have been busy with residents calling regarding tax questions, collecting summer tax payments, receipts, accounts payable, payroll, along with other daily job duties.

Announcements:

For GT to receive any State funding we need to have a 5 Year Parks & Recreation Master Plan. As part of the process to better our parks & recreation we need input from the public. Please go to www.gerrishtownship.org to complete a short 10-question online survey or come into the Township Office for a hard copy survey. Tentatively the Parks & Recreation Advisory Committee will be holding a Public Input Meeting on December 5, 2019 at 6:00 pm and a Public Hearing on January 9, 2020 at 8:30 am.
