MARINA MANAGER'S REPORT

December 3rd, 2020

- Marina contracts for 2021 are finished and will be mailed the week of January 4th.
- Marina barrage updates to winches have been completed.
- Gerrish Township Park had a tree come down during a recent windstorm and will need to be cut up and removed.
- The residents living on Carlos St. next to the park have requested that we look-into installing a snow fence due to drifting which blocks the road. We have contacted the road commission for their input.
