I hereby certify the mechanical work described on this permit application shall be installed by myself in my single-family dwelling in which I am living or about to occupy. I also agree to conform to all applicable laws of the State of Michigan.

Section 23a of the State Construction Code Act of 1972, Act 230 of the Public Acts of 1972, being Section MCL 125.1523A of the Michigan compiled laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who perform work on a residential building or a residential structure. Violators of Section 23a are subjected to civil fines.

EXPIRATION OF PERMIT: A permit shall expire one (1) year after issuance. At that time, it may be renewed for an additional year by request and paying the base permit fee and for any additional work or inspections needed. If work for which a permit is issued is not stated within six (6) months of the date of permit issuance or if work is abandoned for a period of six (6) months, then the permit shall lapse and cease to be in effect. CANCELLED PERMITS CAN NOT BE REINSTATED.
