Marina Monthly July 5, 2018

- The marina staff is looking at ways to improve and increase the Launch and Go program for 2019. We still receive inquiries about this program.
- We now have 162 people on the waiting list for a seasonal slip.
- For the most part, June was a slow month for fuel sales.
- Along with the temperatures, fuel sales heated up beginning June 29<sup>th</sup>.
- On July 3<sup>rd</sup>. Brad Butcher stopped by the marina to get a first-hand look at the Marina Park. We walked the grounds, looked at our buildings and took pictures. If the board wishes, Brad will talk to our board about a Master Plan for our park.
- Treasurer Tulgetski has been helpful with the accounting and close-out process with our employees
- Clerk Patchin also worked with the staff pertaining to fuel record keeping.
- Both Trustee Link and Trustee Lippert have stopped into the marina to review the operations.
