Treasurer Tulgetske Report

May 12, 2020

5/7/2020 I attended the monthly work session through Microsoft Teams.

5/8/2020 I met with National Restoration and subcontractors for the Township Hall Building Remediation's.

I worked on a Temporary Covid 19 Policy for employees/contractors returning to work. I have attended a couple of Webinars regarding how Covid 19 will affect the Township finances, staffing, etc. I worked on getting the compost gate back up and running for 2020. With the Township Office being closed we have made accommodations to mail residents their compost key fobs. I have been busy with residents calling regarding tax questions, accounts payable, payrolls, receipts, along with other daily job duties.
