### SUPERVISOR'S REPORT JUNE 9, 2020

- During the COVID 19 township office shut-down I was able to meet with several residents outside their homes to discuss their concerns relating to road-ends, road maintenance, and missed trash service.
- On May 19<sup>th</sup> and May 21<sup>st</sup> along with Clerk Patchin, Lyon Township elected officials and Fleis&Vandenbrink engineers, zoom meetings were held with representatives from USDA and EGLE to discuss next steps in applying for funding of the proposed Higgins Lake Sanitary Sewer. Both Gerrish and Lyon Townships will be signing a letter of engagement with the legal firm that will guide us in the formation of a utility authority.
- On May 4<sup>th</sup> I attended the monthly township work session to prepare for tonight's Board meeting.
- This morning I attended the monthly RCTA meeting as a board member. LED light conversions will take place main office and bus garage located in Houghton Lake. Roof repairs to the RCTA Annex in Roscommon are under way. Due to the COVID 19 stay-at-home guidance, 1,493 rides were provided, down from 8,584 rides in 2019.

David Udy  
Gerrish Township Supervisor
