## Treasurer Tulgetske Report

**June 9, 2020**

5/27/2020 I attended Rolling with the Changes During COVID-19 Webinar sponsored by Michigan Township's Association.

6/4/2020 I attended the monthly work session

I have been working on getting a new Clover System (cash register/credit card terminals) for the Marina. I have finalized the USDA Agreement with National Restoration and USDA Rural Development for the Township Building Remediations. I have been working with National Restoration on the new roof and building repairs. I have started working on the 2020 tax database. A drop box has been installed at the front entrance of the Township Municipal Building for after hour use. For everyone's safety a new plexiglass window and counter has been installed in the Treasurer's Office. I have been busy with residents calling regarding tax questions, accounts payable, payrolls, receipts, balancing Marina daily cash sheets, along with other daily job duties.
