Report from Trustee 2, Mary Jo Oppy

I have been reading all kinds of information to educate myself on the workings of Gerrish Township.

I attended 5.5 hours webinar geared towards newly elected Township officials. Lawyers from Lansing, I working with MTA (Michigan Township Associations).

Compost - grinding done and will leave to sit to “cook” for a month and then they’ll come to pick it up and haul away.

Met with Fire Chief Jim Fischer to go over Fire/EMS budget and received a tour of the department.

I am increasingly impressed with the professionalism and proactive approach of our Township officials, and grateful to be a part of the team.
