

**To: Gerrish Township Board**

**From: Julie Tatro, Township Assessor**

**Re: Assessor May 2021**

- **All new Land Tables have been created and populated with data. Working on moving all parcels to the new tables.**
- **Once the Land Table work has been completed, the ECF tables will be re-worked.**
- **Received the preliminary residential sales study from the Equalization Department, reviewed and sent results of review to them. Should have the final-preliminary study in the next week or so.**
