

November 2024 - Trustee Newton Report

November 7th - attended the regular Township work session

10th - filled in at maintenance for Tony while he was on vacation

12th - attended the regular Township Board meeting

14th - attended the regularly scheduled Planning Commission meeting

21st - met with Township IT Fisher to cancel my Township email address

Respectfully,

Terry Newton
Trustee

I would also like to thank the Township Board and the Township Planning Commission for their support and cooperation these past 4 years, and to thank all of the residents who voted for me in the past. And of course, all the other hard working employees who were always there to assist me with whatever I needed. Again, many thanks and I really appreciate all you've done!!
